MEN'S DAY TOUR

GOING
AGAINST
THE
GRAIN

Faith. Life. Adventure.

What does it mean to live as a Christian man today?

Isn't this God stuff for weak men who need the crutch and support of a faith in God? Perhaps you aren't a Christian and want to know what this life of faith in Jesus is all about, and what it costs! Maybe you have been a Christian for years but have found yourself blunted by frustration and disappointment in not getting the adventure that this life promised you.

On these days we will share experiences of how men can radically discover the call on their lives to be Christian men today. Using examples of characters from the Bible who went against the grain and not only lived incredible lives but turned the world upside down. **Are you ready to stand up and do the same?**

We launched our new book 'Going Against The Grain' earlier this year, so come along to get your copy - along with a coffee, bacon roll, and a great morning with a bunch of other men.
